

I understand that the FCC is considering giving priority to LPFM stations over FM translators. If so the radio station, K-LOVE, could be forced off the air. I am very concerned and do not want to see K-LOVE forced off the air. K-LOVE is the only station I can listen to with my children and know that they are not going to hear something inappropriate. I am encouraged and uplifted by this station and I know many others in my community are as well. In a world of war and controversy K-LOVE provides a peaceful and uplifting haven. K-LOVE brings people together by letting them know that God loves them and we are all in this world together so why not help each other out. This station is the last form of pure and wholesome family entertainment and I sincerely hope you will not do anything to jeopardize it's accessibility to thousands of families. Thank you.
